➔ Step 1.

CONTACT YOUR PLAN ADMINISTRATOR

Before initiating a rollover, we recommend contacting your current retirement plan administrator for specific rollover instructions. It is up to your current plan administrator to define what is required to accomplish a rollover into an Archer Funds IRA.

Helpful questions may include:

- Is a plan-specific rollover form required?
- Is a medallion-guaranteed signature required?
- Are there additional steps prior to initiating the rollover? (e.g., Am
- I required to move my assets to a cash account prior to a rollover?)
- Are there any maturity dates or short-term redemption fees to consider?
- Is spousal consent required?
- Will the plan administrator send the distribution check directly to the Archer Funds (preferred) or to me? (Please note, if the check is not payable to "Archer Funds," your current custodian may be required to withhold 20%, and a penalty could apply.)
- How long will it take the plan administrator to send my assets to the Archer Funds?

➔ Step 2.

COMPLETE ARCHER FUNDS FORMS

Forms you will need to complete include:

- Archer Funds IRA Rollover Request Form

If you are establishing both a Roth IRA and a traditional IRA you will need to complete two separate IRA Rollover Request Forms and two separate IRA Applications (if applicable).
